Dear Sam:

I have your letter of 26 December. Actually, Allen Hynek sat with the Panel for part of the time, but was not a regular member of the group and did not sign the report. Lloyd, on the other hand, was a regular member of the Panel and was a signer of the final report. Your memory as to Ohio State was quite right. Hynek was there at the time but now is with Fred Whipple at Harvard.

Best regards and a happy New Year to you.

Sincerely,

Philip G. Strong
